Total Number of Lot: _____

Any development proposing to connect to the Association shall be required to transfer ownership of sufficient water rights to meet the needs of the subdivision. The water rights transferred to the Association must be groundwater rights with a priority date not later than 1960 in the amount of ½ of an acre foot per year (consumptive use) for each house, single family residential lot, or residential unit (i.e. within multiple unit apartments, etc.) sought to be served by Dona Ana Mutual Domestic Water Consumers Association. The Association shall determine on a case by case basis, the water rights conveyance requirement for commercial, industrial or similar type of use other than residential, that is proposed to be served by the Association, if it has the ability to serve such commercial or industrial uses.
